 Women's Walk #56 Nov. 17-20, 2005

Dear Community,

“When you do things, do not let selfishness or pride be your guide. Instead, be humble and give more honor to others than to yourselves. Do not be interested only in your own life, but be interested in the lives of others”.
 Philippians 2:3-4.

When I read these words, I am reminded that our Emmaus Community reflects these instructions from Paul. As I observed our Community on the last Walk, or any Walk for that matter, that is what I see our volunteers doing. You are not being selfish with your time, you are not being proud or arrogant in your servant hood, but you are honoring the pilgrims by using your energy to care for them as Jesus would care for them. You are bringing joy to them as you bring joy to our Lord. It is evident that God is doing a good work through you under the umbrella of our Emmaus Community.

It's exciting to think of the amazing things God will do in the Walks to come,

and it's exciting to think of the lives that you will help to change as you continue to let your light shine for Jesus.

May God Continue to Bless Each of You,
 Pastor Jo

Kitchen Help Request

Hello community, Once again I would like to thank all of you hard working servants who helped in the kitchen for the July walk. And once again I think the walk was a huge success. I can't take any of the credit because you guys did all the work.

I know it has been a busy summer but we still have one more walk to go. If you have some time August 18-21 and want to come in and help, please let me know. You can get in touch with me at 734-322-7250 or 734-497-8317 or e-mail me at hollyseguin@msn.com Thank you so much for what you do. May God bless you all.

Holly Seguin, Kitchen Chairperson

Joyful News Articles

Do you have any information or thoughts you would like to share with the Community. If so, you may email me at ilanmouse@juno.com. If you can attach your article to the email in Word form, it makes the process easier.

However, the most important thing is that your information is shared with the Community. Thanks for your help.
