From The Good Shepherd

I have been blessed in many ways since my 1996 walk in Findlay. One of the greatest blessings has been my share group. Through a coincidence (a miracle where God remains anonymous) my share group found me. While attending a meeting in a church in my neighborhood in Toledo, I shared with one of the members about the “Walk to Emmaus” I had just attended. Still glowing from my weekend, I had no idea

that she might know what the walk was all about. Not only did Margie know about it, she immediately invited me to become a part of her Share Group. I have been a part of that group ever since. I have just accepted the assignment of community Good Shepherd. With your help, I would like to update the Share Group list. It will be helpful assisting those who don’t experience a “share group miracle” like mine to get connected with a group in their area. If you are a member of a share group, would you please send an email or call with the following information?

Name of group
When and where it meets
Name and phone number of a contact person
Names of those in the group
Please let me know if you are accepting new members
Be Blessed,

Returns

As you all know, there are many, many people who help make our Walks so special. Along with those faithful servants there are hundreds of other objects, books, and materials that are needed to carry out a weekend successfully.

Some of those objects, books, and materials just never see to get back where they belong...so we ask you help. If you have been on a team in the past 4 years would you please look around and see if you have any of the following;

Team Manuals?
Keys (buildings, storage,
dispensers)?
Spiritual Director Manuals?
Music Books?
Projectors?
Anything else?

If you find any of these, please send them to Jeff Blair at 4021 Hillandale, #2 in Toledo, OH 43606. We appreciate getting these back and maintained in one place so they are available to the next team.

Volunteers

We love volunteers for our Walks and our Gatherings and we thank each of you so much for your servanthood to Pilgrims and the community. Yet it is very tough on the chairs for Kitchen, Agape and Logistics to simply rely on your presence for assistance.

At times we have 10 people arrive when there is only a need for 6, and some volunteers wonder what to do or feel unneeded. At other times when we may need 6, only 3 arrive and everyone is stressed to cope with the tasks.

While we love volunteers, we need some core commitment. We know it is difficult to commit to specific time slots 2-3 months in advance but prayerfully request that you contact Agape, Kitchen, or Logistics two or three weeks prior to a walk and sign up for 1-4 hours of assistance. The chairs will certainly sleep better as we plan that walk – and we can assure better utilization of the walk-in volunteers as a result.

Bless you all!

LOST & FOUND:

After the spring Walks, there were a few items that may belong to one of you in our Community. A “Longaberger Pottery” casserole dish, a black “soft sided”

insulated lunch bag, and a new “journal / scrapbook” in a blue gift bag was left behind. If any of these items belongs to you, please contact Lisa Walz at 419-636-8913, or lktriplea@cityofbryan.net
